

Haus am Schöenberg

Familie Heimhilcher

Welcome to Haus am Schöenberg

Your guide to self-check-in and breakfast

We're delighted to have you with us. To make your arrival as relaxed as possible, this page guides you step by step to your room. If you have any questions, we're always here to help.

1 To the key boxes

Open the garden gate and head towards the entrance doors. On the wall to the left of the garage door, you'll find a board with the key boxes.

2 Collecting your key

Enter the code for the key box we've given you and then take out the set of keys. The number on the box matches your room number. There are two keys on the ring – one for the front door and one for your room.

3 Opening the front door

If the front door is locked, turn the key in the cylinder towards the inside of the door. After one or two turns, the door will open. Please lock the front door again once you're inside.

4 Locking the front door

To lock up, push the door handle upwards and turn the key in the cylinder towards the door frame. After two turns, the door is securely locked.

5 To your room

Follow the stairs up inside. The rooms are on the first floor. Your room number is shown on your key.

Our breakfast room and the conservatory are reached via the stairs leading down towards the basement. Just follow the scent of freshly baked bread and pastries – you can't miss it!

6 Breakfast times

Monday to Friday

Saturday, Sunday & public holidays

6:30 - 9:30 a.m.

7:30 - 10:00 a.m.

We wish you a pleasant stay!
